Sir:

This responds to the Restriction and Election of Species Requirement, dated March 24, 2008.

In response to the Restriction Requirement, Applicant elects Group II for examination. This election is made without traverse.

In response to the Election of Species Requirement, Applicant elects the compound of Example 1 at page 60 of the specification for examination on which claims 1-3, 5-15 and 17 are readable.

Applicant submits that if any of the elected claims is found to be allowable, claims dependent therefrom should similarly be considered allowable in the same application.
